**General Guidelines**

- Permission and availability, we will move your child to the correct level group lesson. If you are seeking a full refund, however, you must cancel the group session at least 24 hours before the start of the first lesson in that session.

**Swim Lesson General Guidelines:**

Where do I park when I arrive for a swim lesson?
We recommend that you park in any of the on-campus parking lots. When parking on campus, you must submit a payment at one of the kiosks located in the parking lot using your license plate number. Rates are $2 every 20 minutes, with a daily maximum of $10.

What does my child need to bring to his/her swim lesson?
To ensure a smooth lesson, we recommend that your child arrive in his/her swimsuit with sunscreen already applied.

What if my child is sick and cannot make his/her group/private lesson?
For Private/Semi-Private Lessons: Cancellations must be made 24 hours ahead of time to warrant a full refund. If your child is sick, and less than 24 hours notice has been given, you must provide a valid doctor’s note to receive a refund or make up session. Only one lesson can be rescheduled per package.

For Group Lessons: Cancellations can only be made 24 hours prior to the first lesson of the session. No refunds/make up lessons will be awarded for missed group lessons, regardless of reason.

Can my other children use the swimming pool if they are not signed up for lessons?
During swim lesson times, the pool is strictly reserved for individuals who are enrolled in swim lessons. To ensure safety at the pool we also ask that you keep a close watch of your other children around the pool deck.

If I have placed my child in the wrong level for group lessons can I receive a refund or be moved to a different level?
For Group Lessons please come prepared with goggles, sunscreen, and a towel.
