DAY USE LOCKERS:

Day use lockers are provided free of charge to members and guests in the Men’s and Women’s locker rooms in the Burns Recreation Center. A personal lock is necessary, and all locks must be removed along with its contents before closing. Any remaining locks will be cut, and the contents of the locker will be removed and donated. The Burns Recreation Center and staff are not responsible for any lost or stolen items.

LOCKER RENTALS:

Lockers are available for rent in the Membership Services Office (located behind the front desk in the Burns Recreation Center). A personal lock must be present in order to register for a locker in the Membership Services Office. Lockers must be renewed before EACH semester, or the lock will be cut and the contents of the locker will be confiscated. Items may be claimed after a $10 retrieval fee is paid or a $10 locker rental fee is paid to register a locker. Contents will be donated 2 weeks after the locker cut date.

Any locker contents left overnight in a locker that is not registered or due for renewal will be removed and donated. Lockers are available for rent as long as there are lockers available. Lockers can be purchased for $10 per semester using cash, check or credit card.

LOCKER RENTER AGREEMENT:

I agree to the following locker rental terms and conditions:

☐ Campus Recreation is not responsible for any lost or stolen items in the facility.

☐ If I do not re-register my locker and pay the $10 rental fee (per semester) before the semester is over, I will lose my locker and all of its contents will be removed.

☐ If I am unable to renew my locker before the semester is over due to scheduling conflicts, I must make prior arrangements with the Membership Office to renew my locker.

☐ If my locker contents are not retrieved within the 2 week holding period, they will be donated. No Exceptions. Campus Recreation is not responsible for my belongings.

☐ Campus Recreation will notify me of my locker renewal dates via the email and phone address I provided. If changes are made to my contact information, the Membership Services Office must be notified.
